## **Yunika Corporation offers a donation to disaster victims of the Tohoku-Chihou-Taiheiyo-Oki Earthquake**

All employees of the Yunika Group extend their sincere condolences to the victims of the major earthquake that struck off the Pacific coast of the Tohoku region of Japan.

Yunika Corporation (headquarters: Tokyo; president: Motohiko Isozaki) has made a donation of 20 million yen through the Japan Red Cross Society to assist victims of the Tohoku earthquake and provide funds for the restoration of affected areas. The company has also set up donation boxes at its business sites to solicit donations from customers.

In addition, to cooperate with efforts to ensure that power is available in disaster areas, Yunika Corporation is continuing to implement measures to conserve energy at all Yunika Group companies, including partially switching off signboards and interior lighting as well as turning off heating at business sites.

Everyone at the Yunika Group sends their heartfelt prayers for the quick recovery of the areas affected by the earthquake.
